### **A) READ THE FOLLOWING TEXT**

#### **Liza´s daily life**

**Hi! My name is Liza Thompson. I´m ten years old and I live in Harwich with my parents, my little brother Nick, and a wonderful cat Witty.**

**I´m in fifth grade and I have a very busy daily life. I usually get up at seven o´clock. You know, I don´t like to get up very early but I have to. Then I go to the bathroom to wash my hands, face and to clean my teeth.**

**Doctors say that it is necessary to clean the teeth twice a day but I don´t do it in the evening. That is why my mummy is rather cross with me. My friends do their morning exercises in the morning to be strong and healthy. Frankly speaking I don´t. Then I make my bed and run to the kitchen to have breakfast. I love my mum´s breakfast because it is always tasty.**

**I kiss my Granny and Mummy goodbye, take my schoolbag and join my Dad. He drives me to school.**

**I´m not tall. I have large blue eyes, two plaits with red ribbons. I think I´m very pretty. I´m very joyful, sociable and know a lot of funny stories. My friends love my stories.**

**I have to hobbies: they are flowers and butterflies. I plant flowers in our garden and there are a lot of them. I water them nearly every day. I have a large collection of butterfly. They are very beautiful. My friends adore my collection. I Know all the butterflies in my country.**
