(‘Astrid Malone tuvo un fin de semana realmente divertido’)

Astrid Malone's fun weekend!

Famous young actress Astrid Malone had a really fun weekend. Our reporters saw her in a small mountain town while visiting her family and friends.

On Saturday, she did some sports. She climbed a small mountain near her grandmother's house. On Sunday, she went to the river with some friends and swam in the cold water. They were all really happy.

Before coming back to the city, she ran in the park and one of our reporters interviewed her. "My last weekend was amazing", she said.
