“Seville is located in the south of Spain”
(Sevilla está ubicada al sur de España)

Actividad de ejercitación.

I like this place because it's a beautiful and ancient city. Seville is located in the south of Spain. It is the capital of Andalusia.

People in Seville are calm and happy. The city is interesting and wonderful and has a very hot summer. You can visit a lot of fascinating places in Seville, where you can learn

from its culture, especially the Islamic culture. This is because, in ancient times, Seville was a city of Al-Andalus, part of the territory occupied by the Muslim empire in Southern Spain.

There are a lot of Islamic monuments in Seville, like the Torre del Oro. But not everything you can see in Seville is from Islamic culture. There are also a lot of attractions that you can visit, like the Cathedral, an UNESCO world heritage site.

The Cathedral's tower is called La Giralda, and it is the most famous symbol in Seville. Apart from monuments, Seville is related to flamenco, a kind of music originated in Andalusia. Another important event in Seville is 'Seville Fair'.

For all these reasons, I like Seville. I would like to live there one day.

“How was your vacation?”
(¿Cómo estuvieron tus vacaciones?)

I. - Read the following text and answer the questions.

Last summer!

Hi John. How are you?

I'm very good now, enjoying the end of the vacations and ready to go back to school. Last week, we went to a farm in the countryside. It was my grandfather's home. It was a wonderful place. We went there by car and stayed there for 5 days. There was a small lake and there were many trees and farm animals. I played with my brother, rode on horses and swam in the lake. I had a lot of fun! How was your vacation? Did you have fun? Tell me about it.

Hope to see you soon!

Heather.
