I. - READ CAREFULLY THE TEXT OF 'SEVILLE, SPAIN' AND ANSWER QUESTIONS. CHOOSE THE CORRECT ALTERNATIVE (08 points)

I like this place because it's a beautiful and ancient city. Seville is located in the south of Spain. It is the capital of Andalusia.

People in Seville are calm and happy. The city is interesting and wonderful and has a very hot summer. You can visit a lot of fascinating places in Seville, where you can learn from its culture, especially the Islamic culture. This is because, in ancient times, Seville was a city of Al-Andalus, part of the territory occupied by the Muslim empire in Southern Spain.

There are a lot of Islamic monuments in Seville, like the Torre del Oro. But not everything you can see in Seville is from Islamic culture.

There are also a lot of attractions that you can visit, like the Cathedral, an UNESCO world heritage site.

The Cathedral's tower is called La Giralda, and it is the most famous symbol in Seville. Apart from monuments, Seville is related to flamenco, a kind of music originated in Andalusia. Another important event in Seville is 'Seville Fair'.

For all these reasons, I like Seville. I would like to live there one day.

My favorite thing about the movie are the characters. I really love Thor!

The one thing that I dislike about superhero movies is that there are too many! I don't have time to watch all of them.

Jaime

I can't stand superheroes, so I don't watch superhero films. Instead, I prefer Star Wars films! My dad really loves them, so when I was little, he showed them to me.
