I. - READ CAREFULLY THE TEXT OF 'MY FRIENDS' STYLES' AND ANSWER QUESTIONS. CHOOSE THE CORRECT ALTERNATIVE (08 points)

What clothes do you like to wear?

What are you wearing now? Some people dress in order to identify with a particular group. Others choose their own individual style. The clothes you are wearing can tell others what you are interested in and what you like. Here are a few of my friends' styles!

Skater

It is easy and inexpensive to create the skater look. This summer, James is following skater fashion. "I like designing my own T-shirts" says James. "Hoodies are popular this year". He usually wears a beanie or a cap, loose- fitting jeans, and some sneakers

Sporty

In summer, a simple T- shirt with a sports logo, three-quarter length shorts, and sneakers or sandals will do. In cooler weather, put on a

hoodie, some denim pants, and a cap “I am wearing this hoodie because that way I am warm and ready for action!” Says Jack. “I play basketball with my friends in the evenings. We are practicing for the school team”

Hip-Hop

Hip-Hop fashion is big business, but the clothes are not necessarily expensive. Sam achieves the hip-hop look with colorful baggy clothes, khaki pants, or a cap tilted at an angle.

Hipster

Hipsters are young people who usually don't like mainstream culture. They wear trendy clothes such as tight jeans and beanies, and they like to wear glasses. Brothers Claire and Jon are hipsters. “We love going on Instagram and taking selfies!” says Jon.

Comfy

If you are not interested in any particular trend, then maybe the comfy style is for you. Girls look great in a casual dress with leggings, while boys with no interest in fashion can still look cool in a short- sleeved T-shirt and jeans.

You can get fabulous clothes almost anywhere. Some kids in big cities often go to shopping malls with friends. However, in many cities, people buy their clothes from thrift shops or swap meets. You can sometimes find a wider range of clothes at these places than in stores. Another advantage of swap meets is that you can find bargains and negotiate the price. A thrift shop is also a great place to find accessories such as bracelets or necklaces!
